Deletions

If the Committee approves the proposed deletions, all entities of the Federal Government will no longer be required to procure the services listed below from nonprofit agencies employing people who are blind or have other severe disabilities.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities.
2. The action does not appear to have a severe economic impact on future contractors for the services.
3. The action will result in authorizing small entities to furnish the services to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41, U.S.C. 46-48c) in connection with the services proposed for deletion from the Procurement List.

The following services have been proposed for deletion from the Procurement List:

Janitorial/Custodial, Henry R. Koen Federal Building, W. Main and Fargo Street, Russellville, Arkansas
Janitorial/Custodial, Area C, Wright-Patterson Air Force Base, Ohio

DEPARTMENT OF DEFENSE**Department of the Army****Environmental Assessment and Finding of No Significant Impact for the Transfer of Administrative Control and Relinquishment of Approximately 13,150 Acres of Fort Wingate Army Depot****AGENCY:** Department of the Army, DOD.**ACTION:** Notice of availability.

SUMMARY: In accordance with Public Law 100-526, the Defense Authorizations and Amendments and Base Closure and Realignment Act of 1988, the Defense Base Closure and Realignment Commission recommended the closure of Fort Wingate Army Depot (FWAD), New Mexico. This recommendation became law on January 5, 1989. The Department of Defense will transfer administrative control and relinquishment of approximately 13,150 acres of the approximately 22,000 acre Fort Wingate Army Depot. The Secretary of Defense has determined that no further military need for this portion of the property exists and the Secretary of the Interior has agreed that the lands are suitable for return to the public domain. The relinquishment of this property to the Department of the Interior is required by the Federal Land Policy and Management Act of 1976 (43 United States Code Annotated (USCA) 1701 *et seq.*).

The environmental assessment evaluates the environmental impacts associated with the transfer of administrative control and relinquishment of approximately 13,150 acres of the approximately 22,000 FWAD.

The action will not alter the baseline environmental conditions at FWAD. No construction, mission change, demolition or other such physical actions will occur. Therefore, there would be no impacts on air quality, transportation, water supply, wastewater systems, solid waste, infrastructure, energy, communications, and socioeconomic resources such as housing, schools, and health and safety services. Accordingly, a Finding of No Significant Impact has been prepared.

DATES: Inquiries will be accepted within 15 days of the publication of this Notice of Availability.
